

LE diamond

For iPhone 5/5S & iPad mini

PREMIUM TEMPERED GORILLA™ GLASS PROTECTION

Made of a thin Gorilla™ Glass that offers superior shock and scratch resistance, LE diamond protects the screen of your iPhone very effectively with no lose in touch sensitivity.

Features :

- Gorilla™ Glass material : only 0.33 mm thickness tempered glass
- Surface hardness : 9H, superior impact and scratches protection, 3 times higher on average than PET films
- Oleophobic coating : reduce fingerprints traces, improves cleaning
- Anti-Shatter protection : if broken, LE diamond does not shatters into small sharp pieces, still protecting your screen effectively.
